# Concise Contemplations

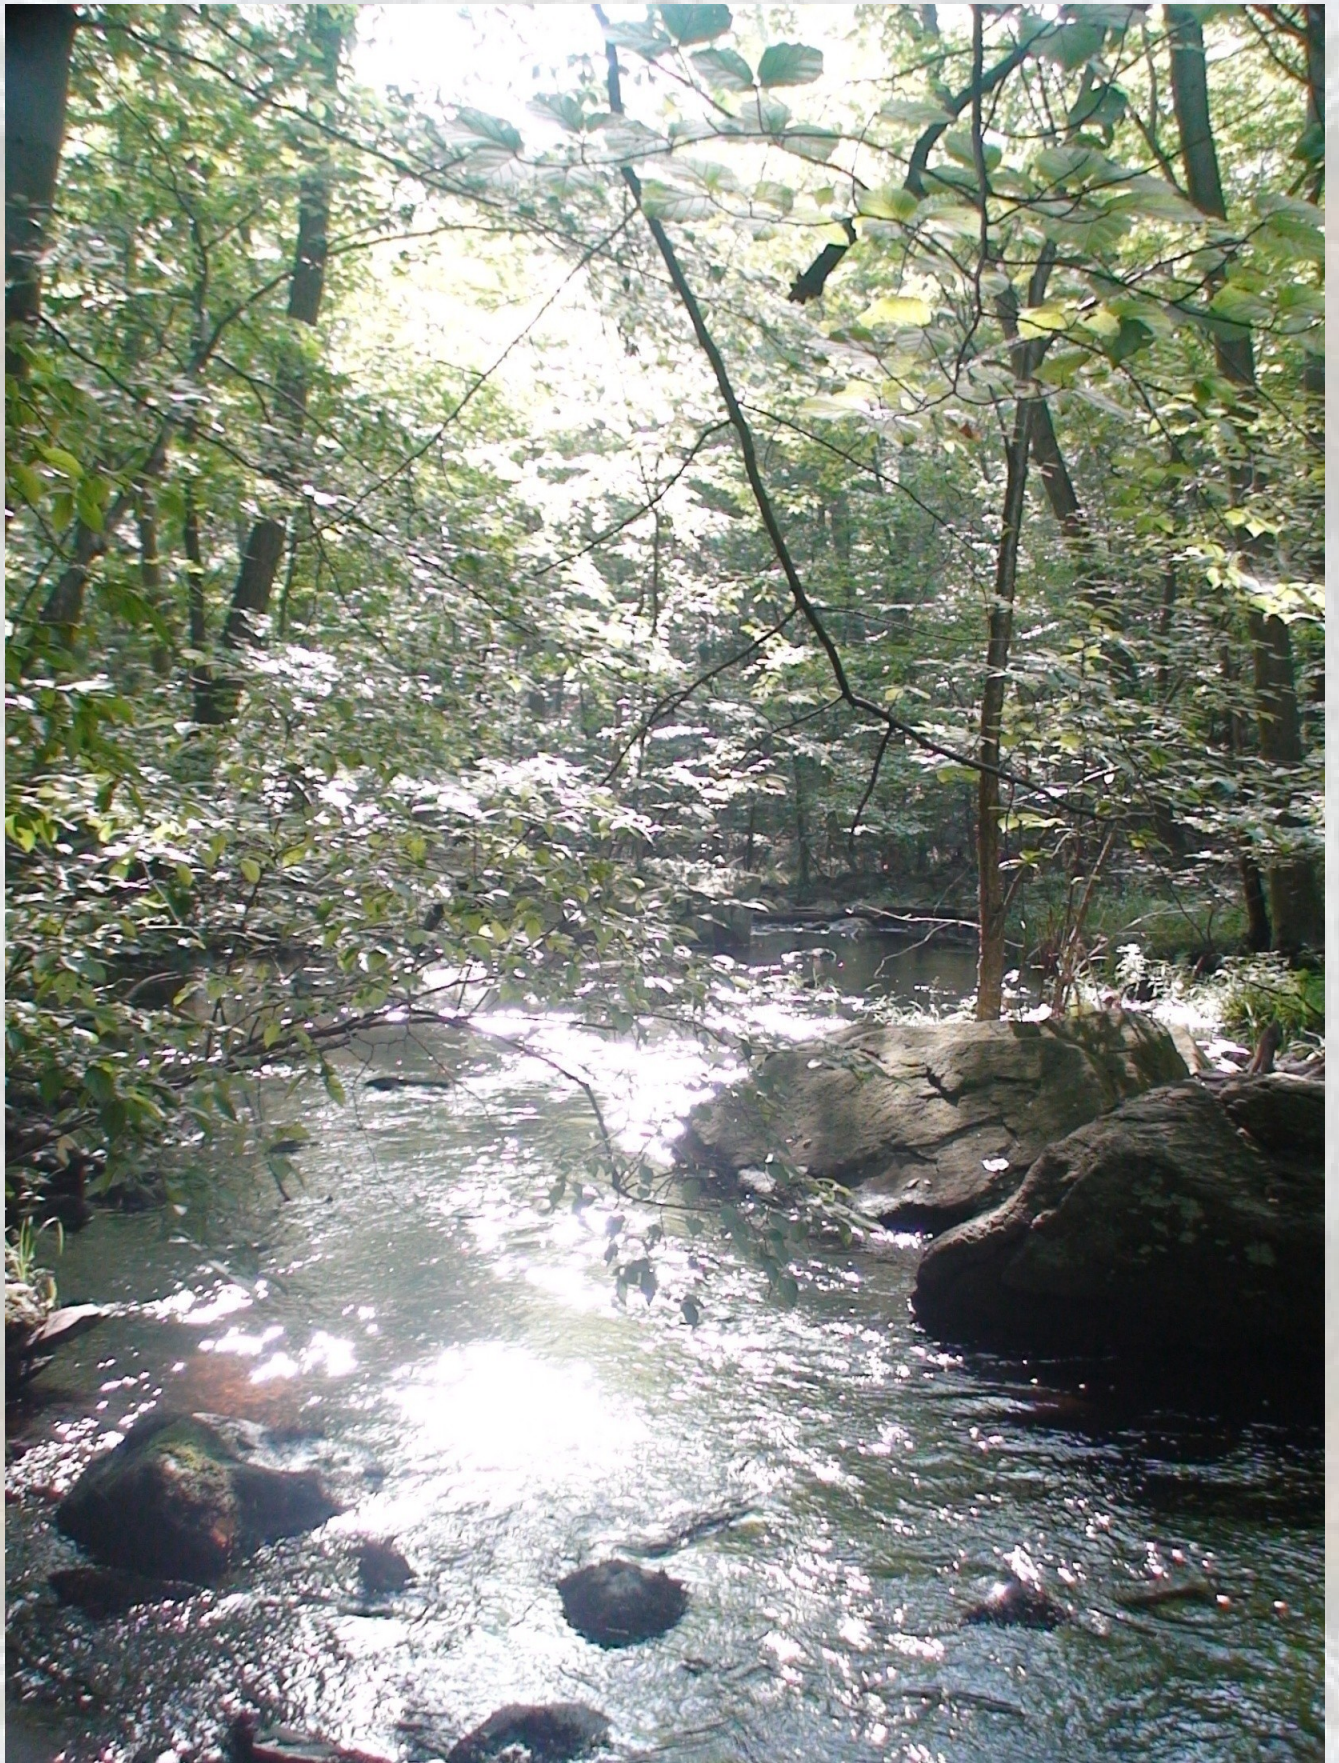

~ Introduction ~

*Renewal at the  
Central Source  
of Life,  
primordially pure, is  
what Humanity needs,  
individually, every day,  
as well as collectively,  
as a cultural whole.*

*This Text,  
Intentionally Brief,  
Explores Truths  
Within the  
Central Identity Process  
of Life Itself.*

*These Truths,  
Rather Than Serving  
As Data to Be Stored,  
Serve To Enrich and Uplift  
As They Are Appreciated  
On Progressively  
More Meaningful Levels  
With Successive Re - Examinations.*

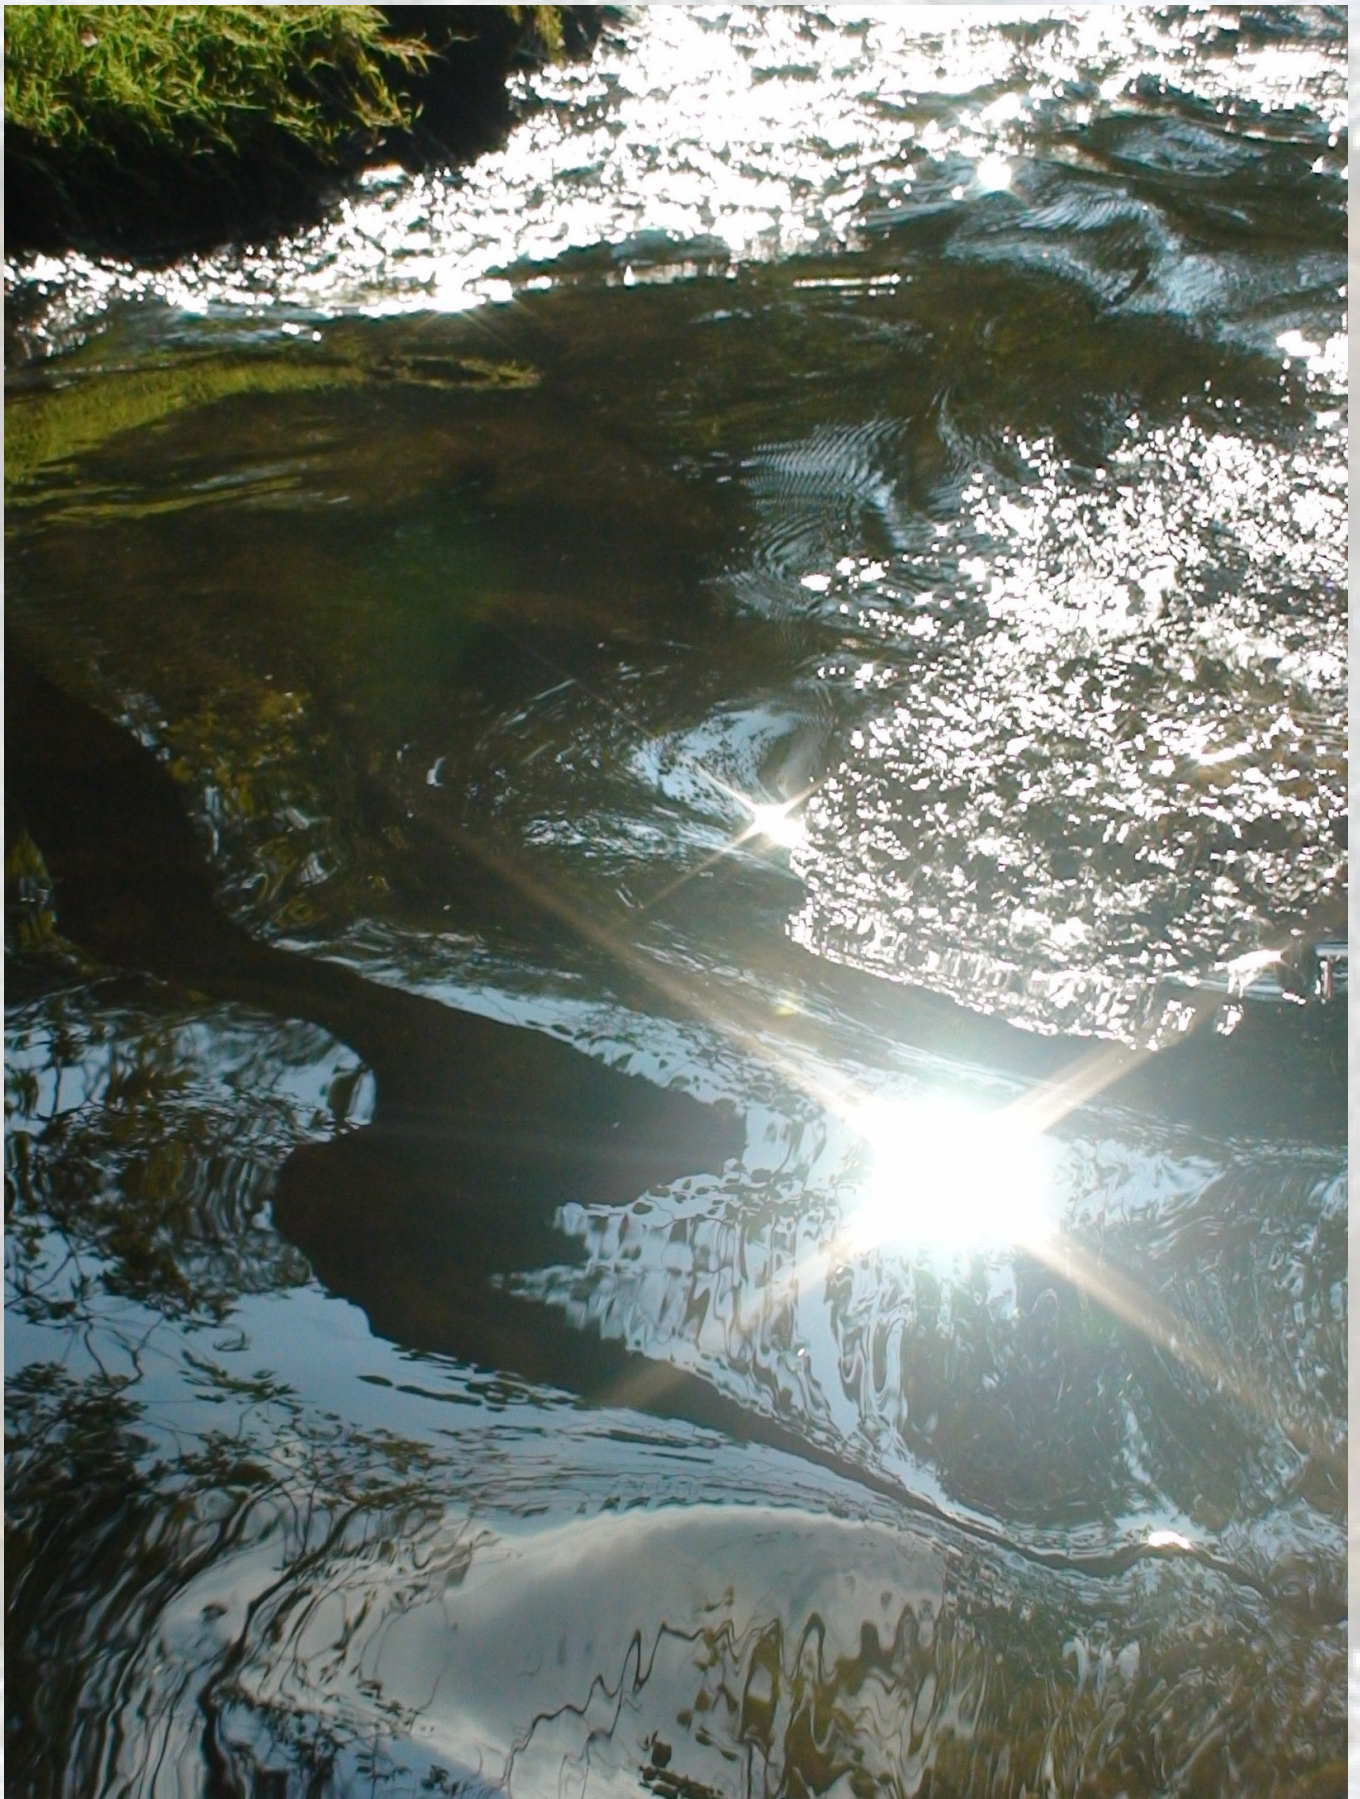

*Concise*  
*Contemplations*

*The Pre - Existence,  
Infinite Potentiality,  
Love,  
Surged Forth into Actuality  
Because That Uniquely  
All - Affirming Latency  
Was So Rich  
with The Promise  
of Perfection, . . .*

*... That the  
Reality of Love  
Came Forth into Being  
Just in Order  
That the Goodness  
Of Its Existence  
Could Be  
Truly Appreciated.*

*Love Is Manifested  
As The  
Co - Creative Communion  
Of  
Radiant Father  
And  
Receptive Mother.*

*From Their  
Primordial Identities,  
Time and Space,  
The Supreme Creator,  
Love,  
Spins the  
Infinite Matrix  
of Reality.*

*Fa*

*Is Eternal*

*Energy,*

*Ma*

*Is Universal*

*Matter-Space.*

*Their Union*

*Created and Maintains*

*Every Atom, Every Cell,  
Every Individual Body,  
Every Species, Every Planet,  
Every Galaxy,*

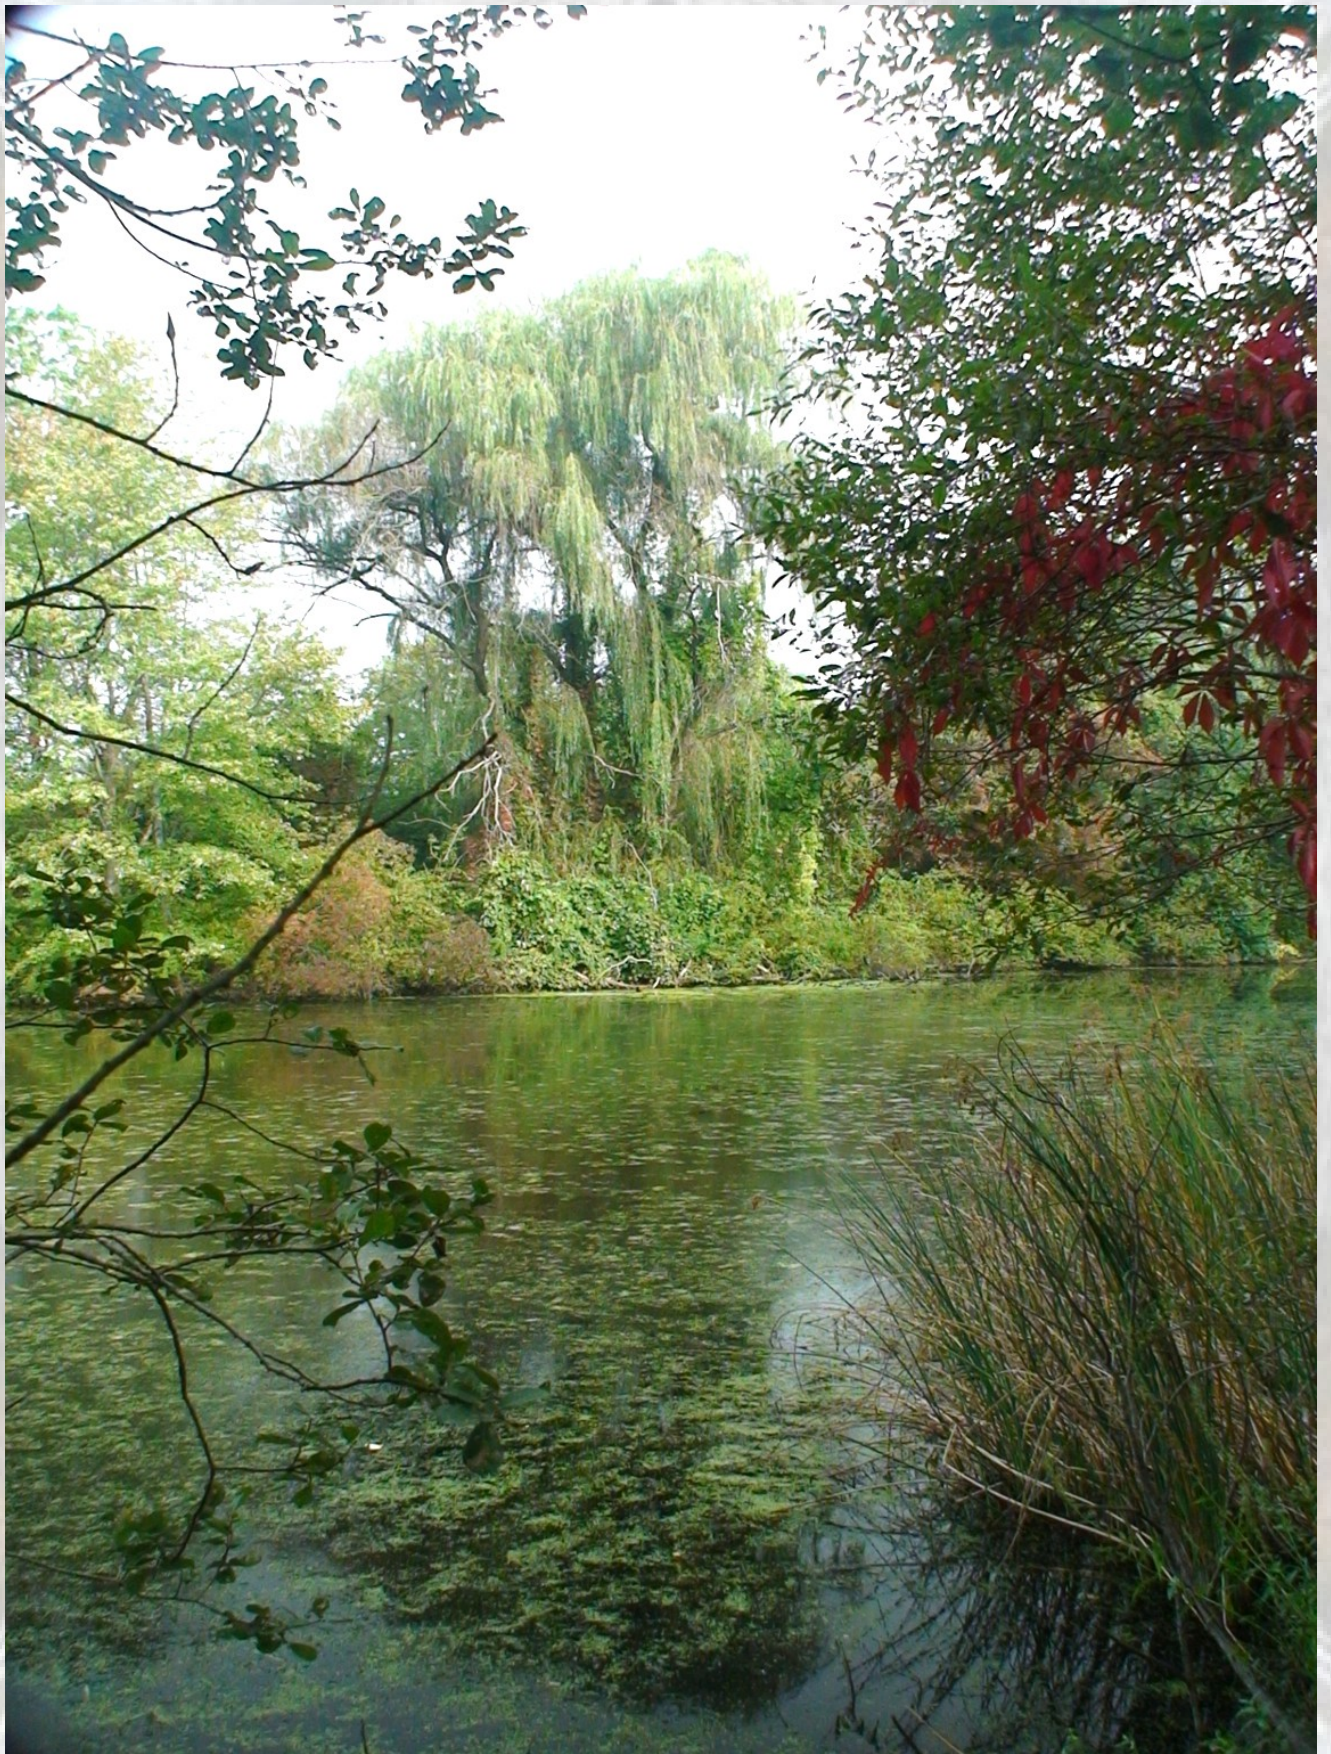

*and  
Every Universe . . .*

*(there have been  
many Universes).*

*The Union  
of the  
Eternally Radiant Fa,  
and the  
Universally Receptive Ma,  
Is the  
Infinite Being  
Made Manifest,  
Life Itself.*

*Life Itself  
is the  
Source  
and the  
Standard  
of All Value;  
All Goodness  
Made Tangible.*

*Love is  
the Quintessential  
Experience:*

*It is Life's Own  
Self - Appreciation;*

*the Reunion  
of the Individual*

*with the  
Primordial  
and Transcendent  
Creative Fusion.*

*Love Is  
the Experience  
that Fulfills  
the Purpose  
of Existence.*

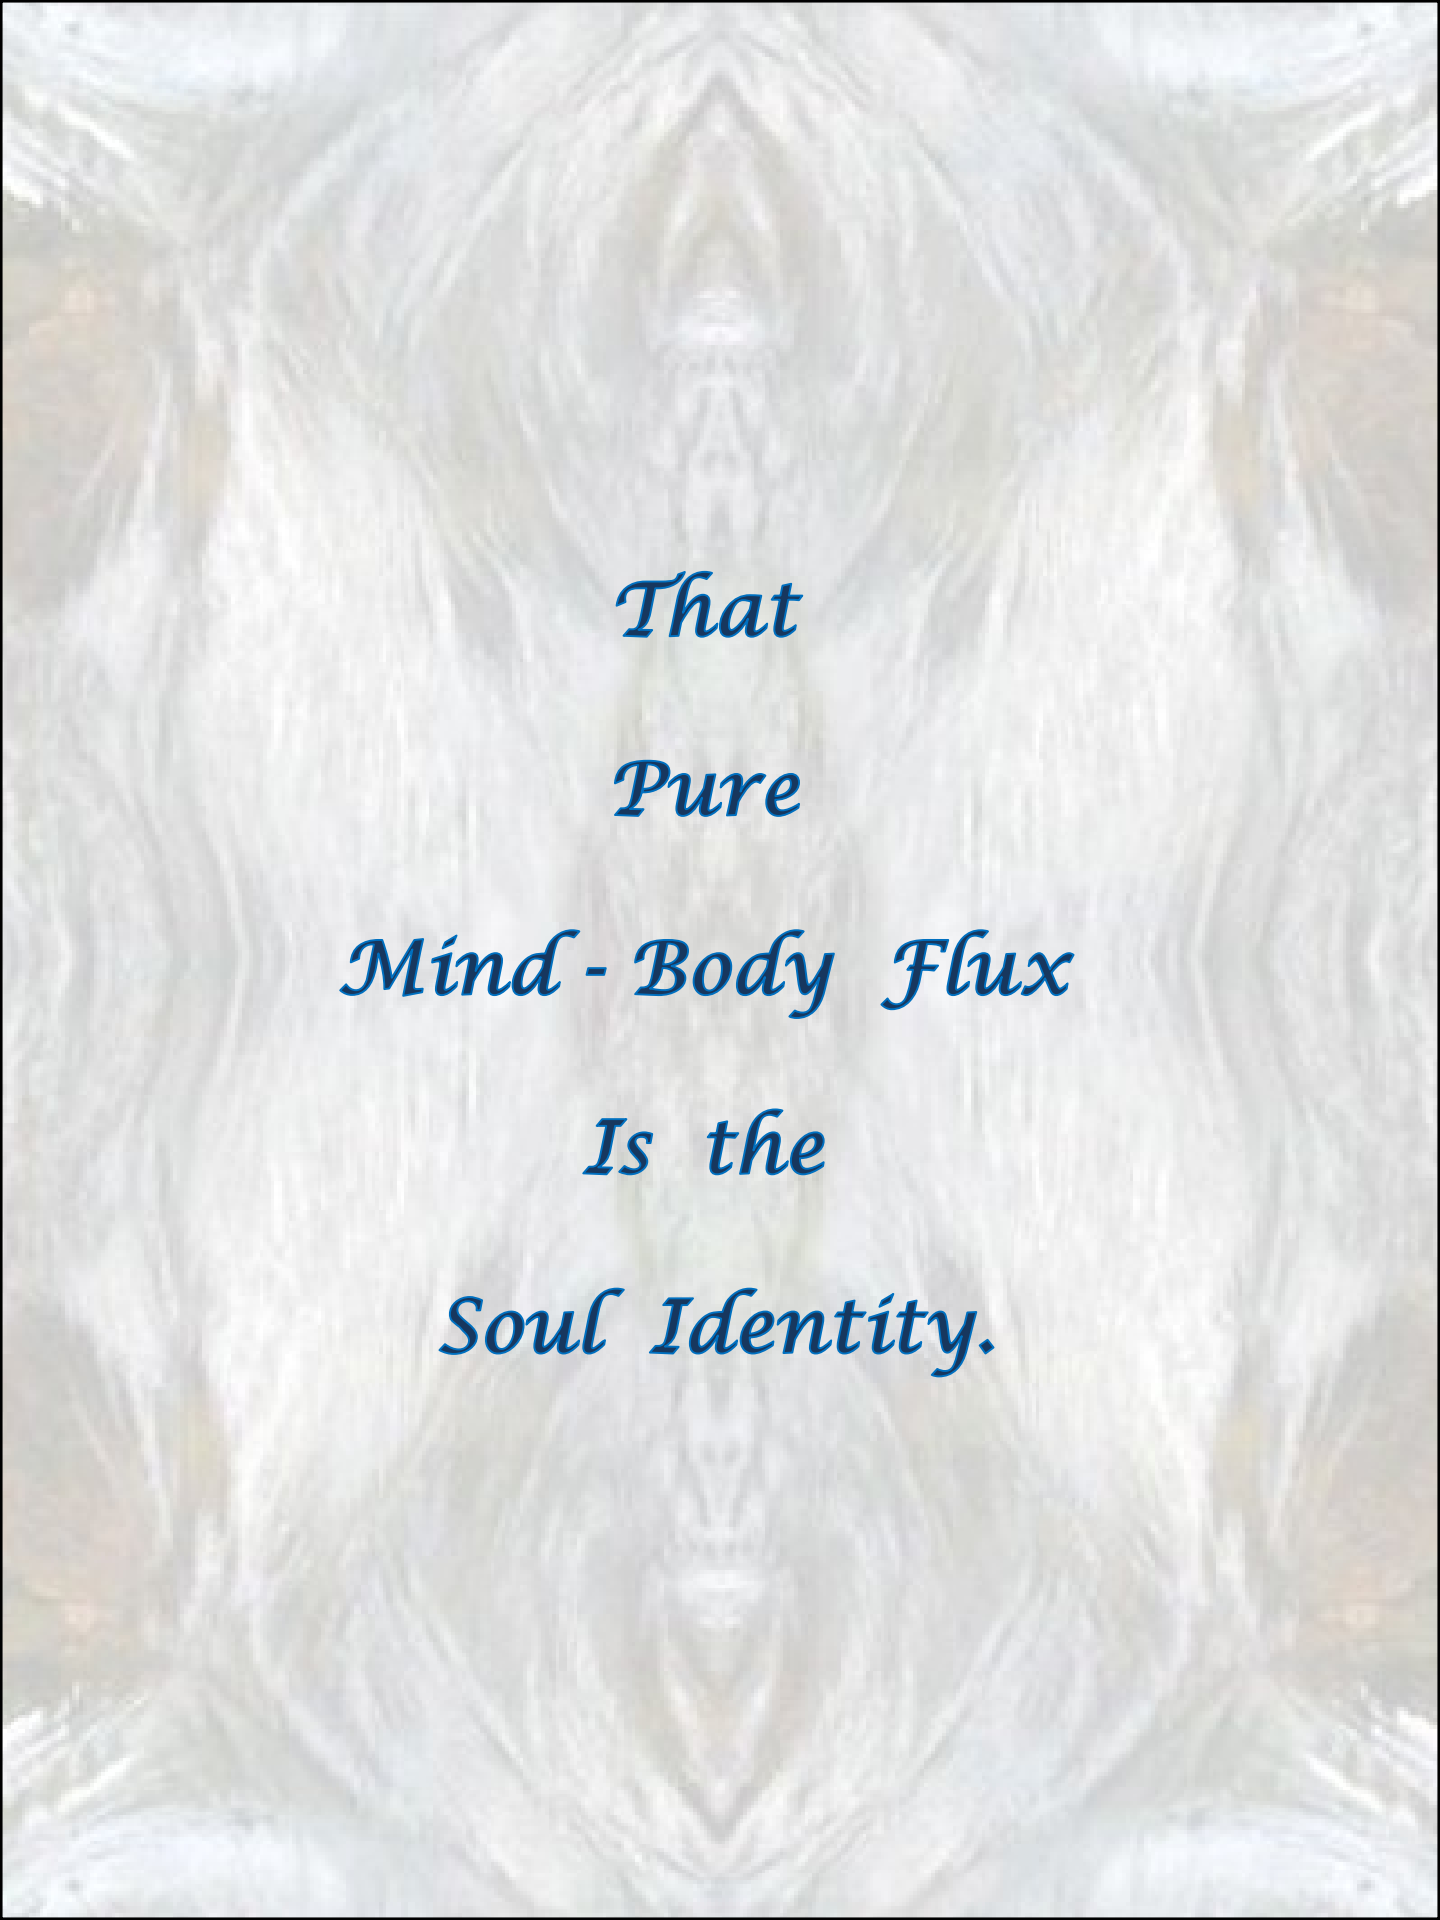

*The Identity  
of Every Individual  
Subsists within  
the Flux of  
Living Energy - Matter  
Co - Creatively Flowing . . .*

*... Between the  
Spark of Eternal Energy  
within their  
Uttermost Mind,  
and the  
Speck of Universal Matter  
Constituting their  
Uttermost Body.*

*That  
Pure  
Mind - Body Flux  
Is the  
Soul Identity.*

*Real Soul Principle*

*Abides Within  
Every Human Being,  
However Humble,*

*And Even Abides Within  
Every Other  
Animal,  
Plant,  
Life Matrix,  
and Celestial Body  
Within This  
and Every Universe,*

*Sustained by  
The Flux of Love  
Between Fa Eternal  
And Ma Universal.*

*As Father's True Being*

*Is the Light Eternal,*

*Pure Energy,*

*His Contribution*

*To the Unity*

*of Being*

*Is Mind,*

*the Cognitive Component*

*of Experience.*

*As Mother's Real Being*

*Is the Matter - Space*

*Universal,*

*Her Contribution*

*To the Unity*

*of Being*

*Is Body,*

*the Sensual Component*

*of Experience.*

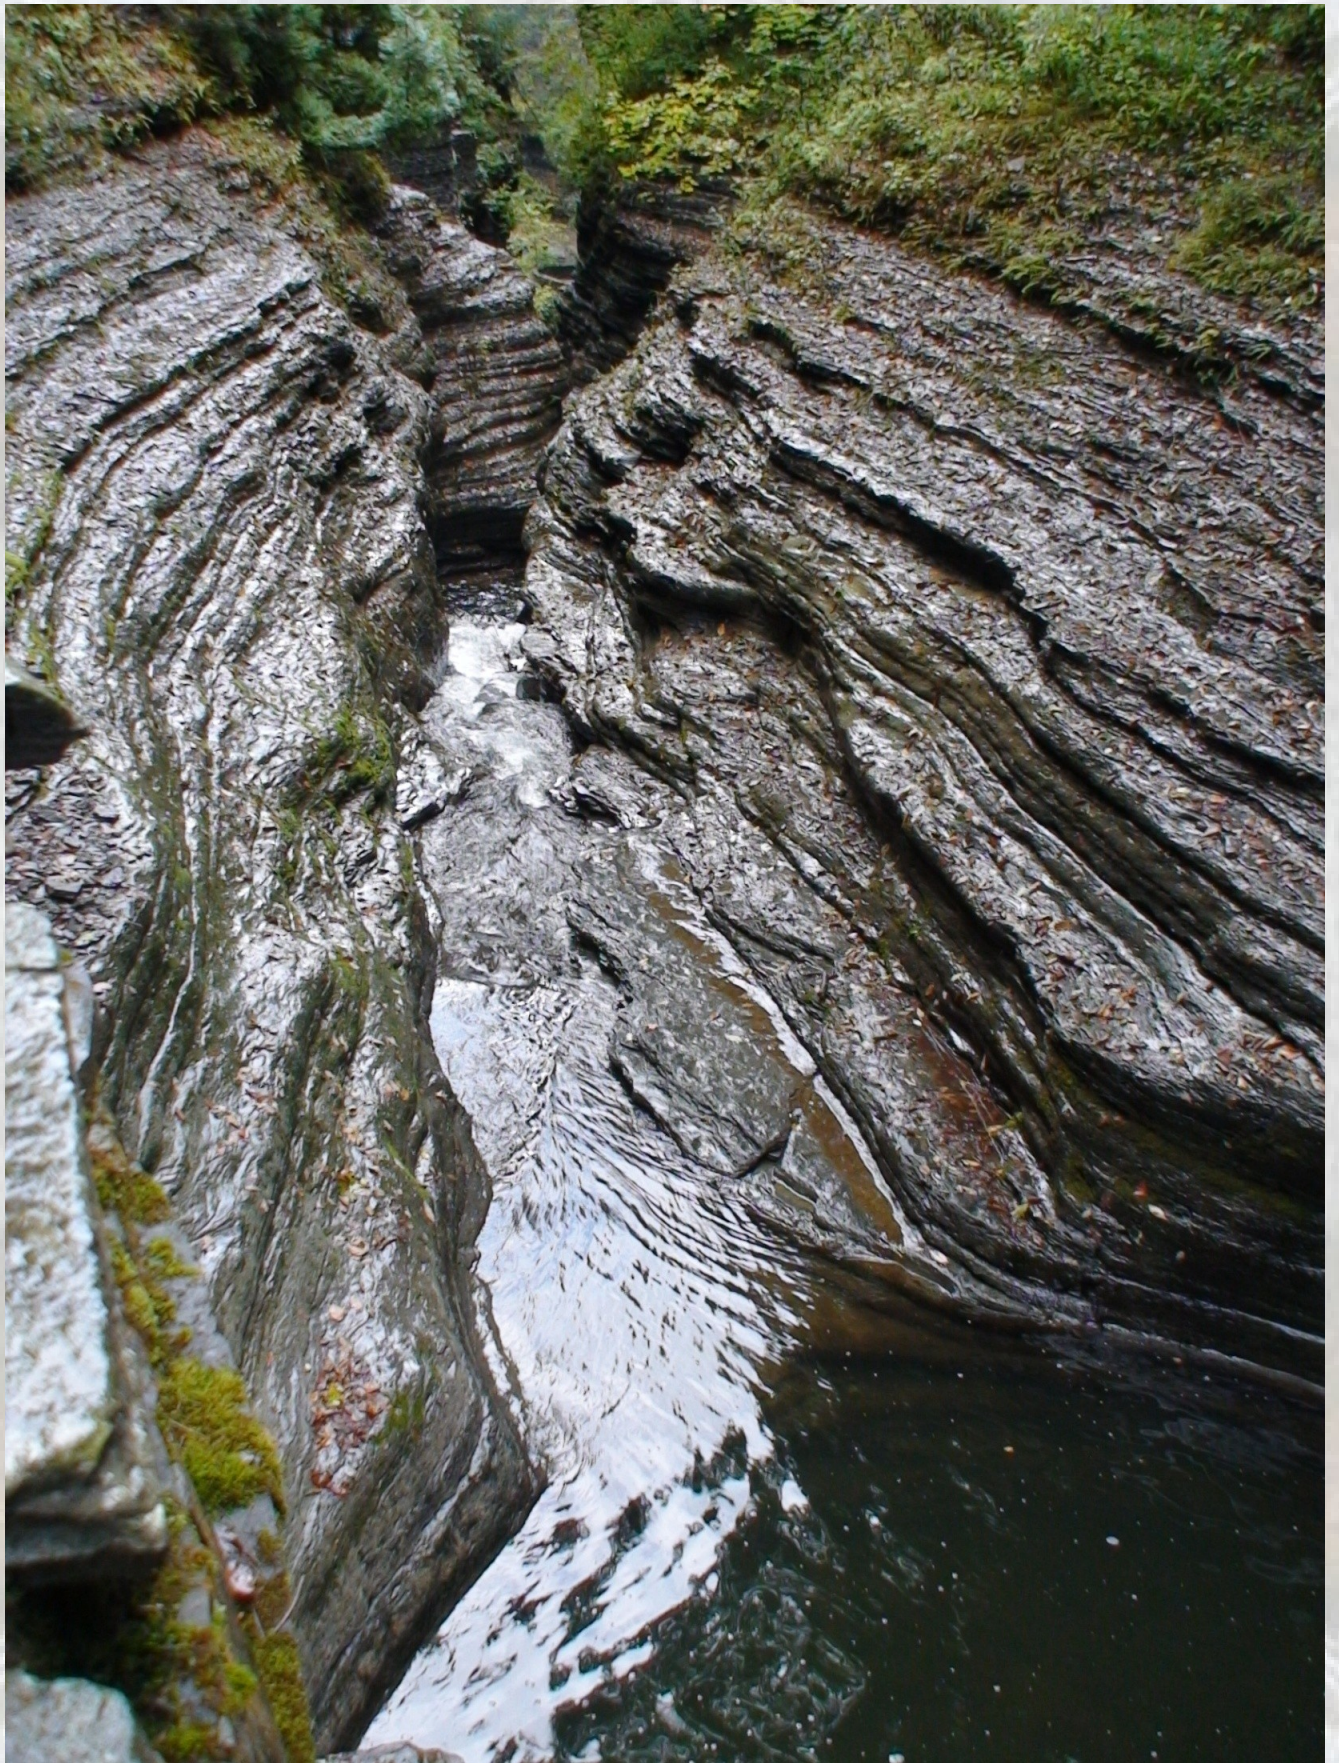

*Father Enjoys Sensation*

*Only by Virtue  
of the Generosity of Mother,*

*and Mother Enjoys  
the Knowingness of Intellect*

*Only by Virtue  
of the Generosity of Father.*

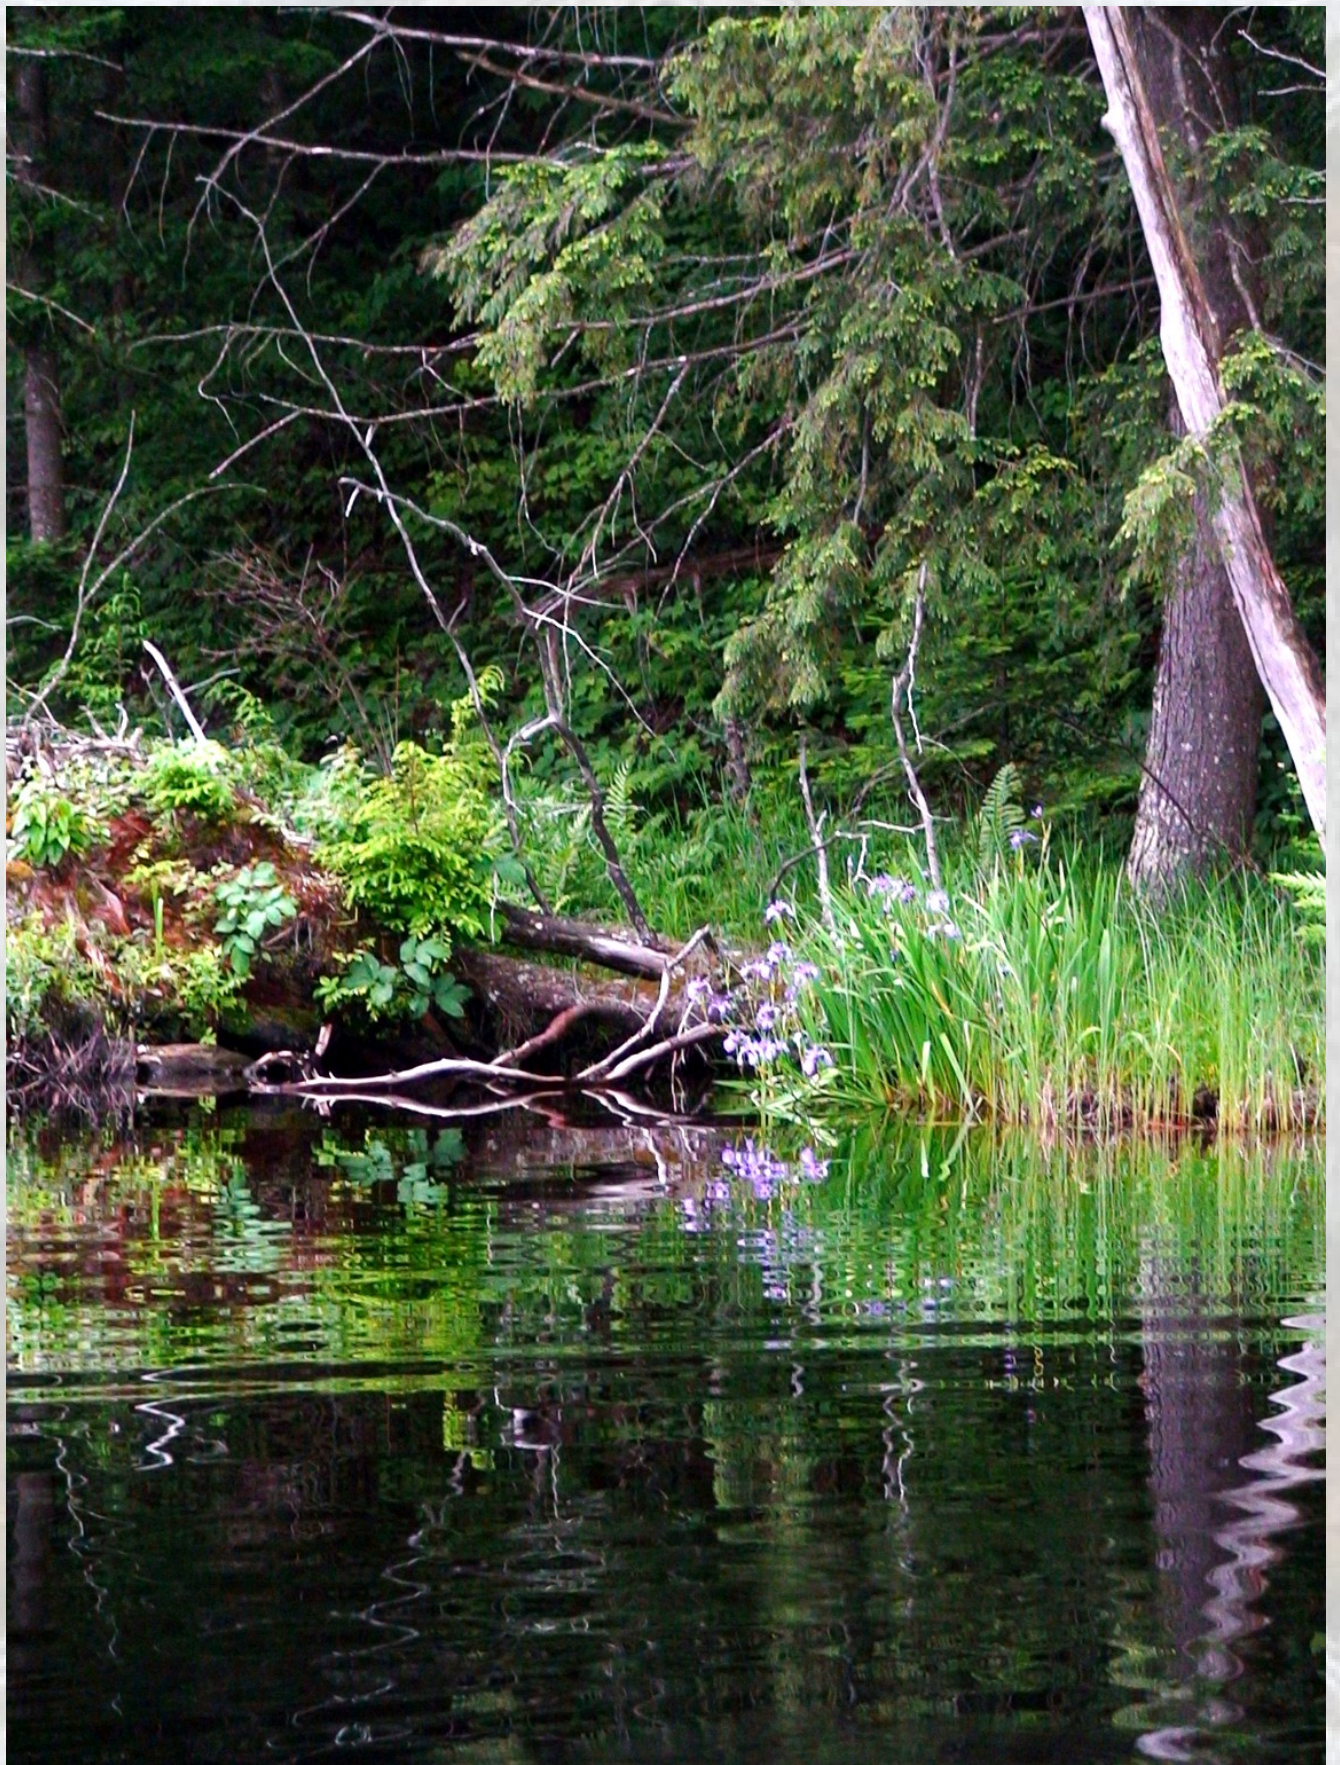

*The Eternal - Universal  
Creative Identity Principles*

*Are Thus  
Intimately Interdependent,*

*Even to the Extent  
of Being Co - Creative,*

*In the Infinite Ecstasy*

*of Their Pure  
Eternal - Universal Union.*

*The Self - Inspired Human,*

*in their Pure Center  
of Being,*

*Aspires to Constant Union  
with the Co - Creative Ecstasy*

*of the Transcendent  
and Primal Principles,*

*Eternal Fa and  
Universal Ma,*

*in the Infinite Flame  
of Life Itself.*

*If Every Creative Effort,*

*Intellectual,  
Emotional - Social,  
and Physical - Sensual,*

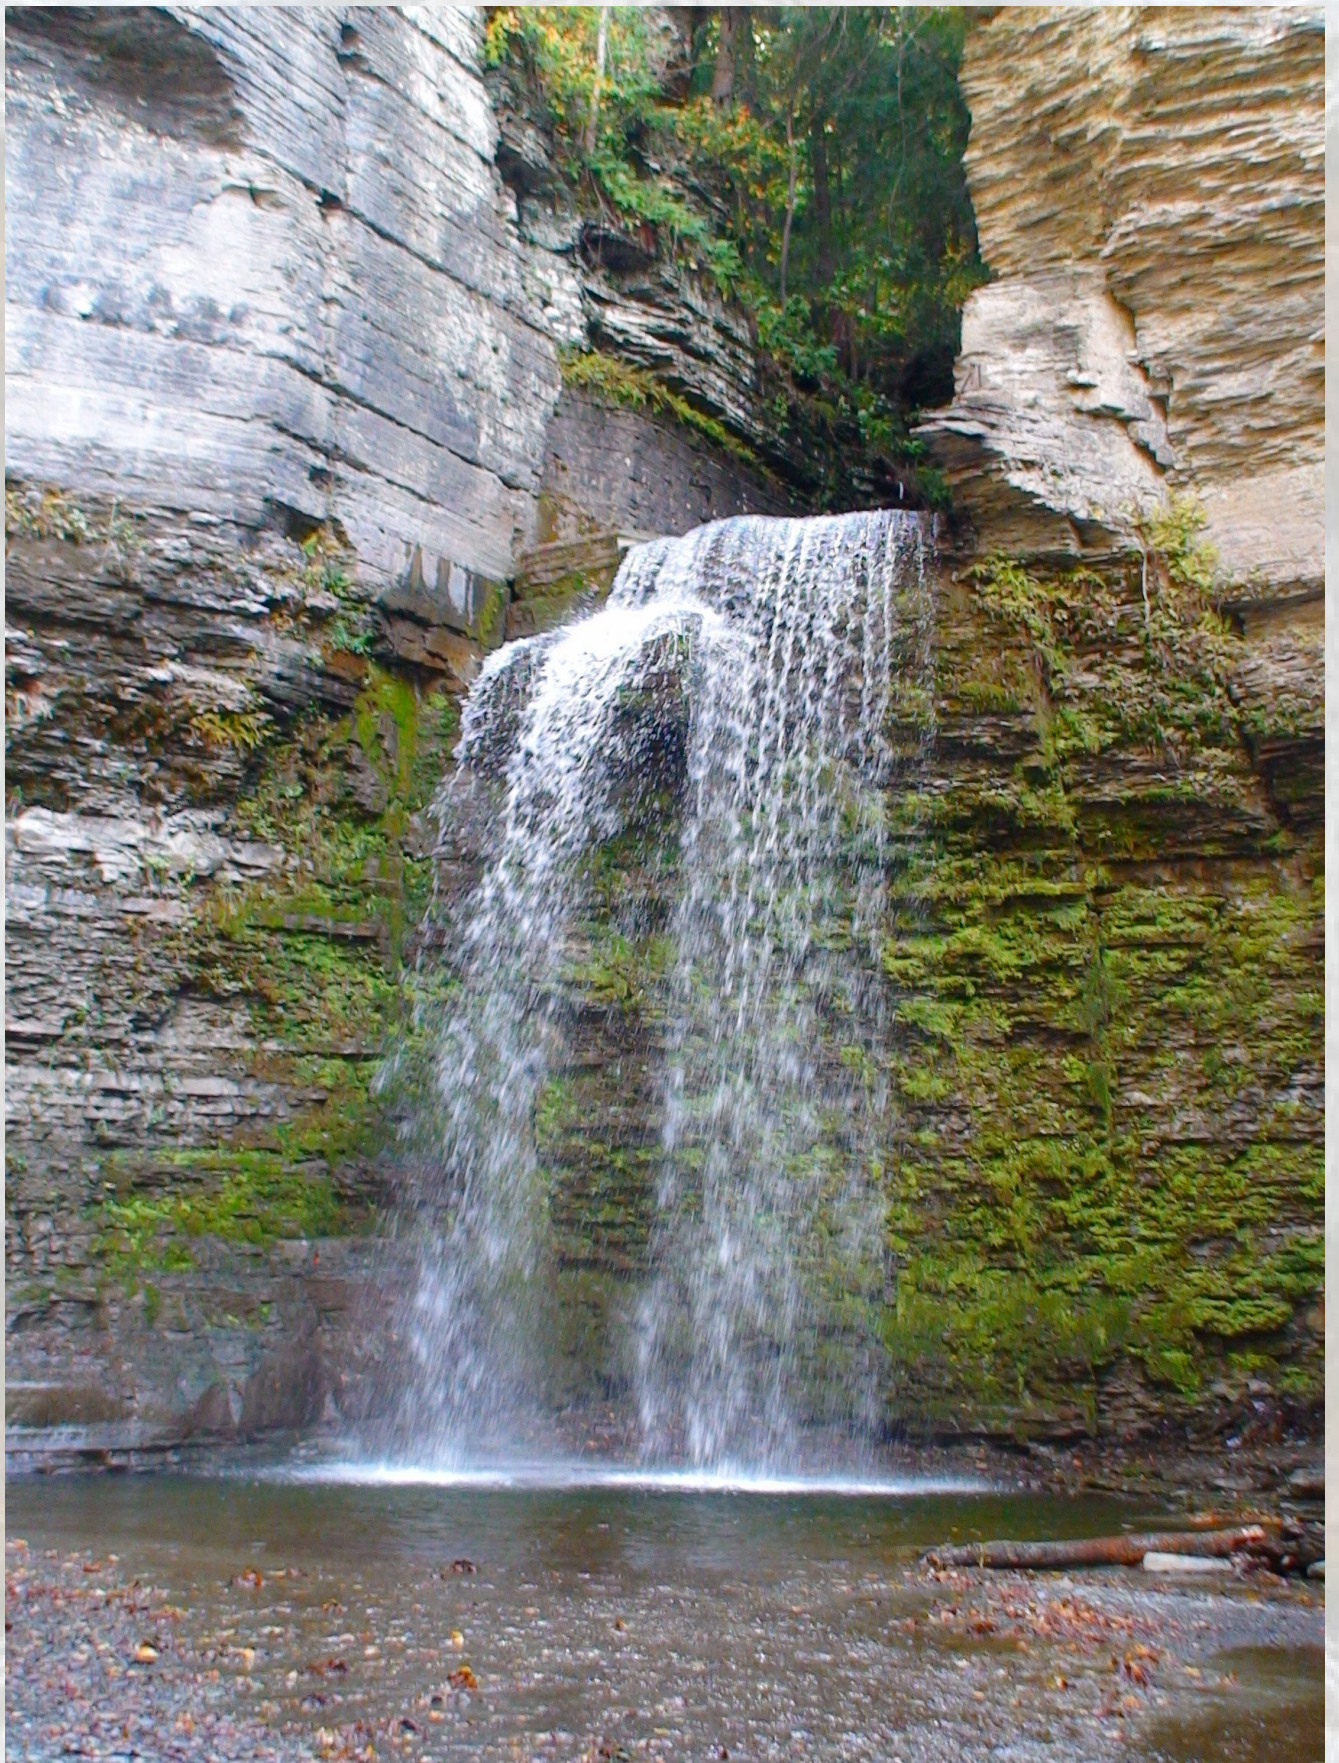

*Is Focused*

*Toward the Aspiration  
For Realization of Identity*

*with the Flame of Life,*

*the Individual has  
the Perfect Existence,*

*In Both Beingness  
and Becomingness.*

*The Ultimate  
Existential State*

*Is the State  
In which Every Being*

*Everywhere*

*Is Enjoying Simultaneously*

*The Supreme Fulfillment  
of Pure Knowledge - Ecstasy,*

*and Enjoying that  
Everyone Is Enjoying,  
as well.*

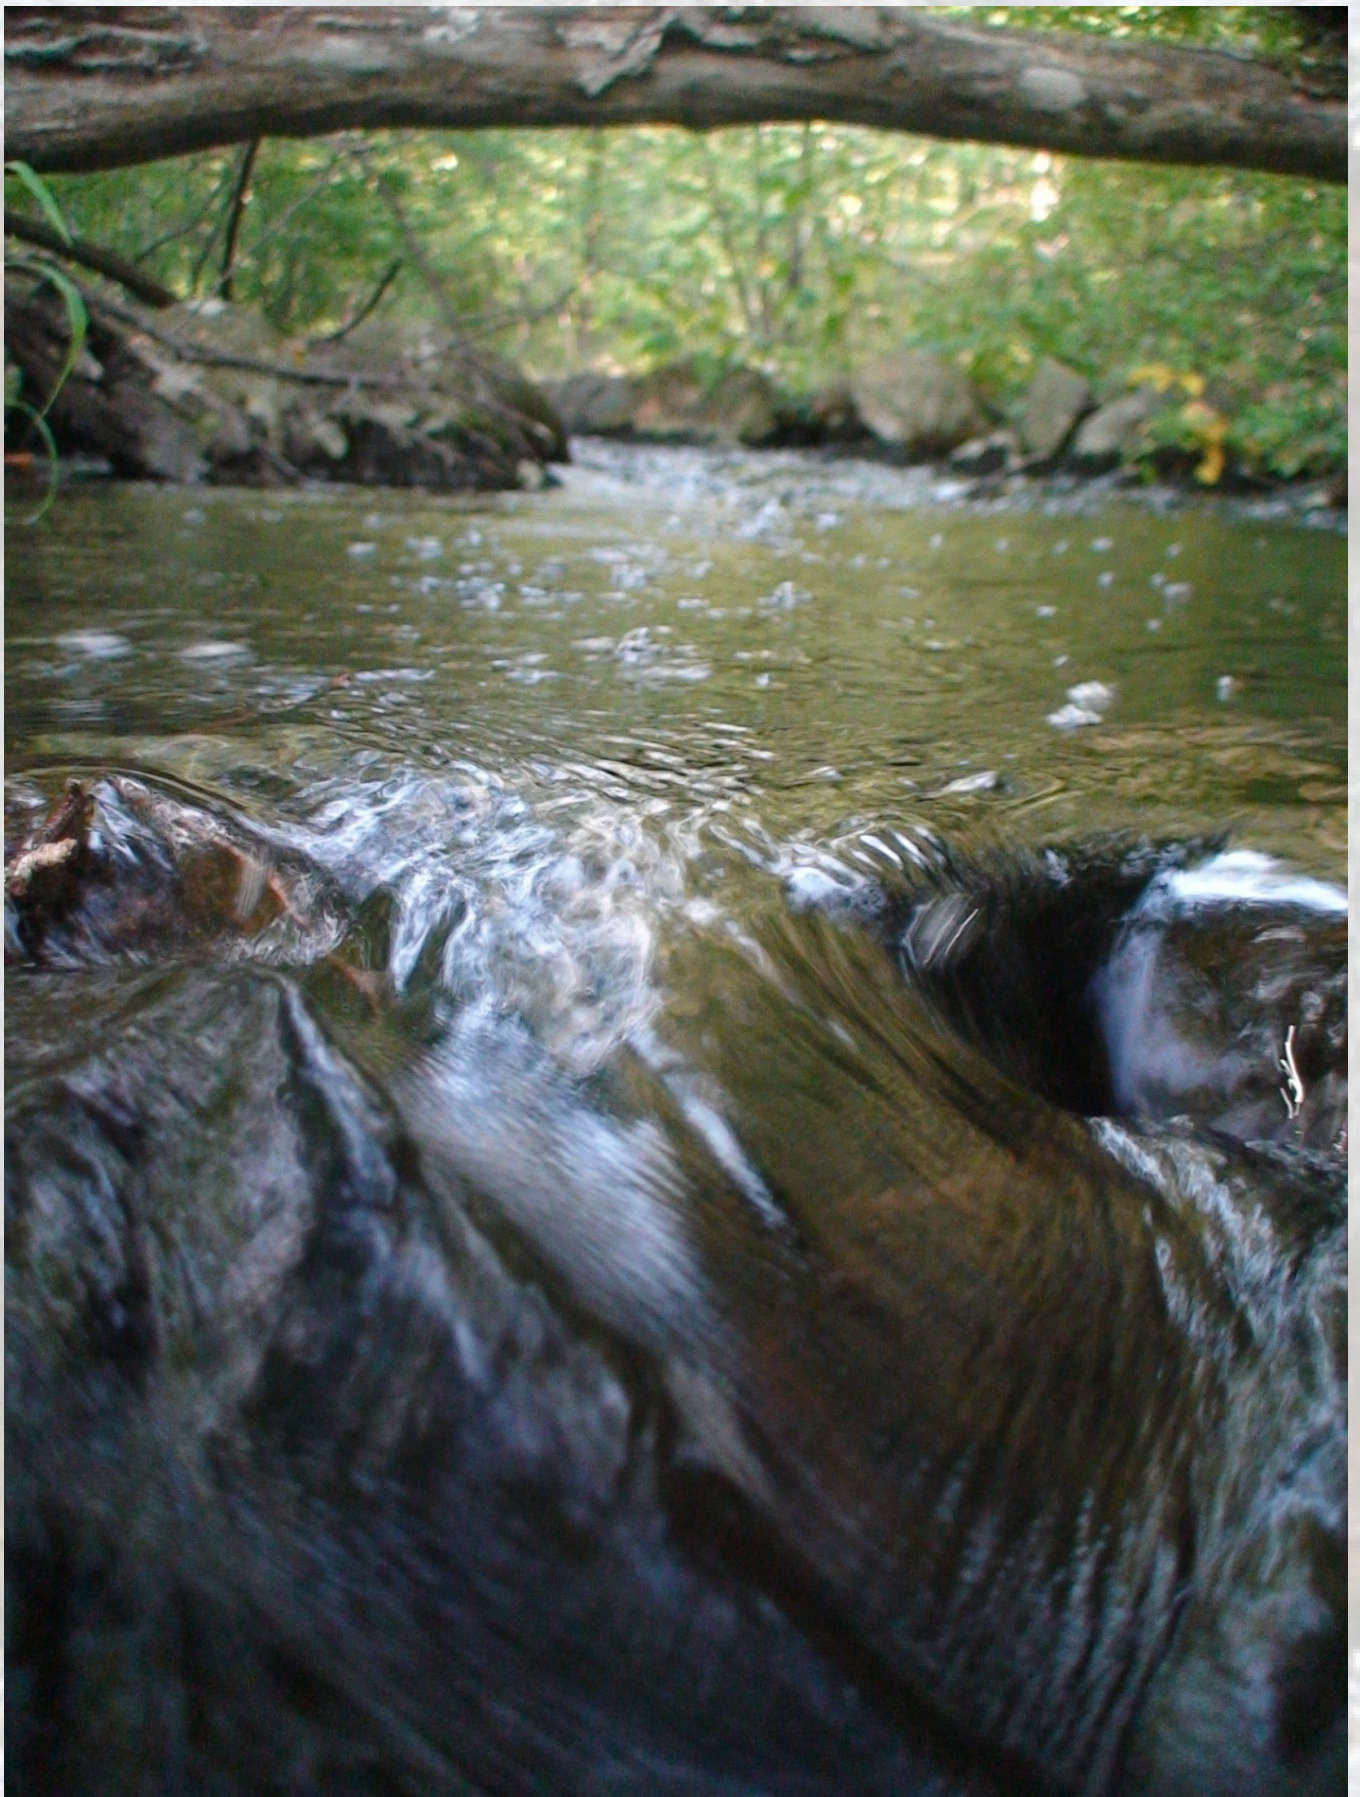

*It is the Duty  
of Each Living Being*

*to Contemplate,  
Even Celebrate,  
Even Communicate,*

*the Loving Essence  
of Existence,  
as Constantly  
as Practicable,*

*with  
the Full Force  
and Creativity  
of their  
Intelligent Beingness.*

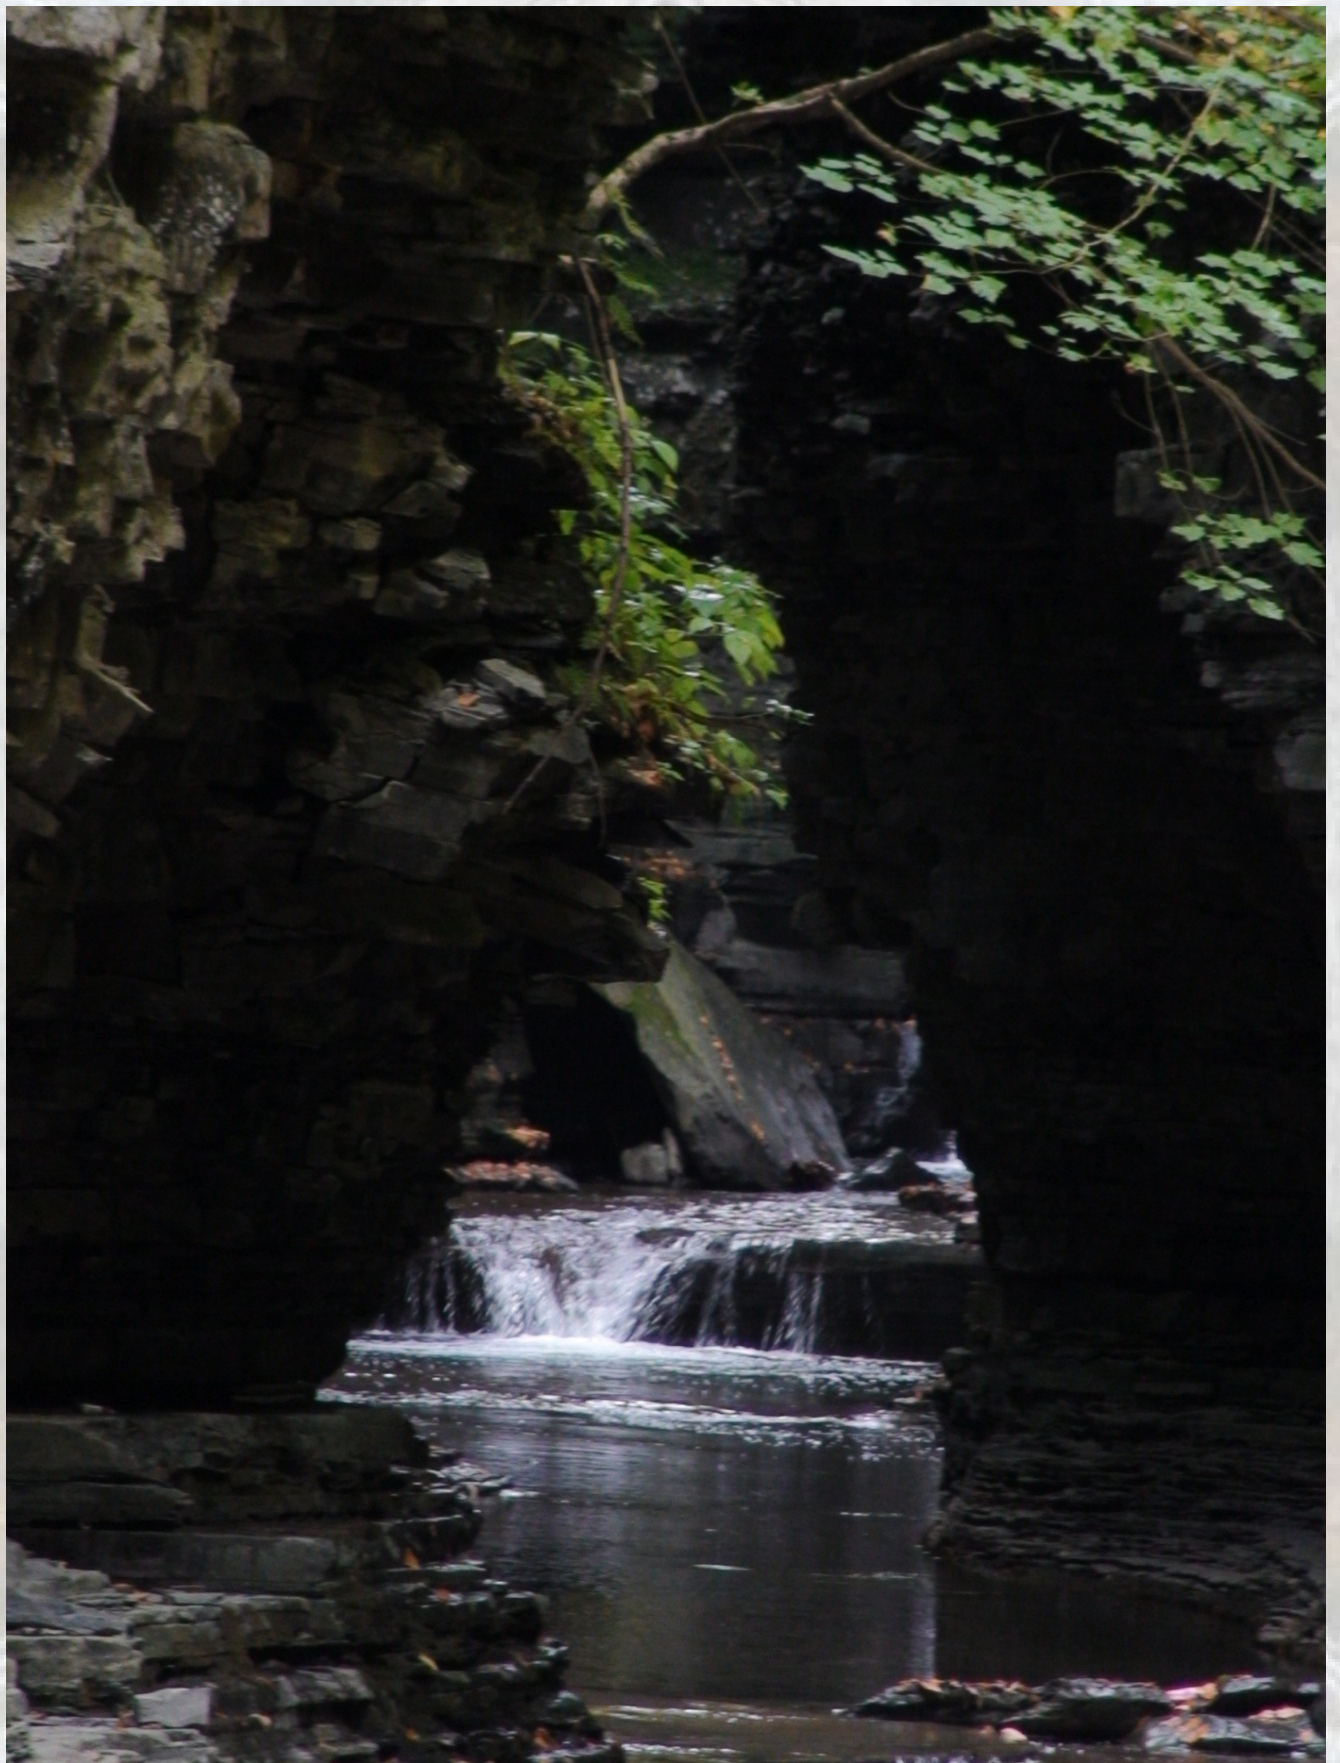

*It is the Duty  
of Each Living Being,*

*Once Having Discovered  
the Infinite Joy  
And Goodness of Love,*

*To Make That  
All-Fulfilling Experience*

*Accessible,  
Comprehensible,  
and Viable,*

*for Every Living Being  
Who May Presently Be  
in Want of It.*

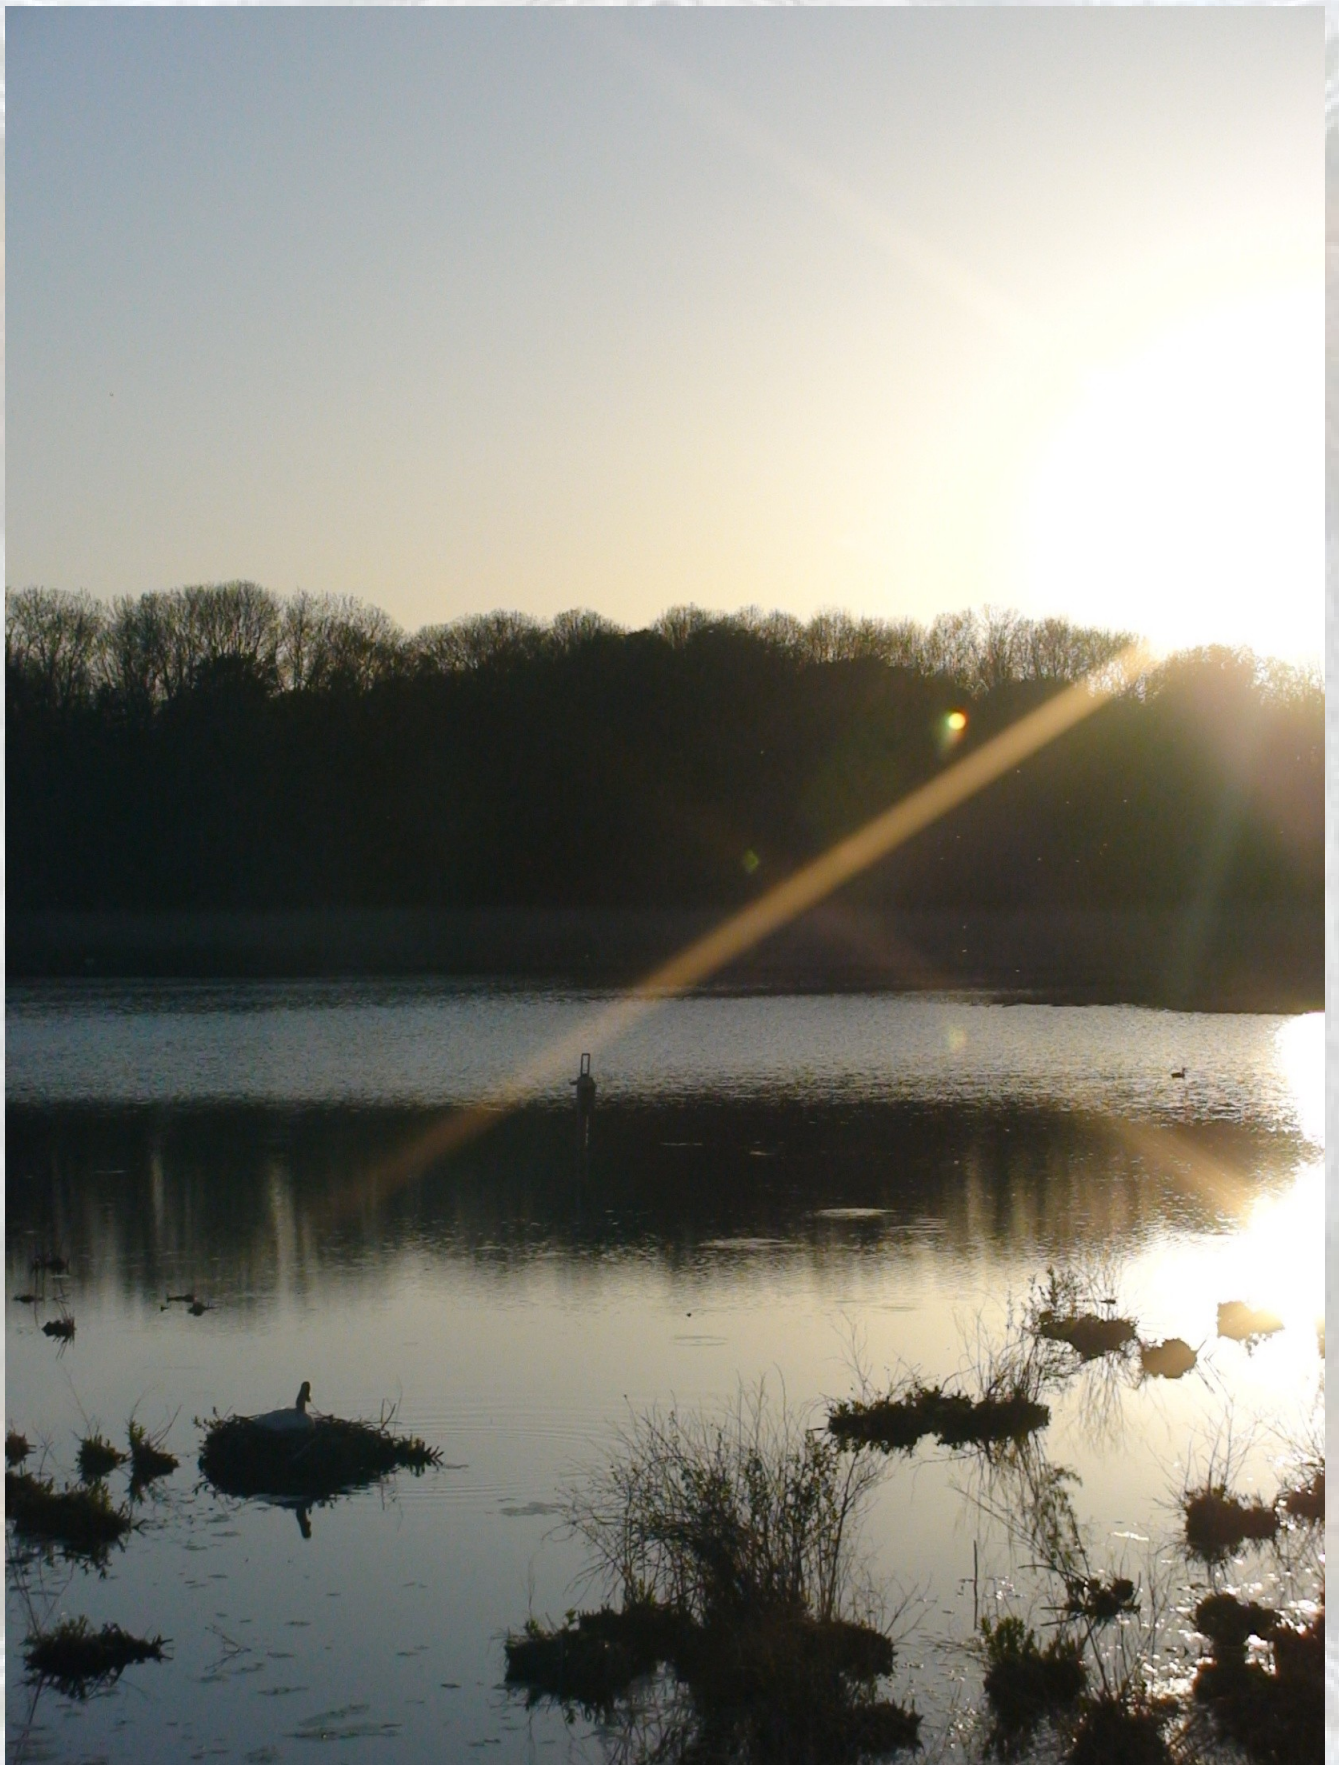

*It is the Duty  
of Each  
Knowing Soul*

*to Share the Truth  
of the Infinite Love  
of Eternal Father  
and Universal Mother,*

*as much as  
One is Able,*

*Bearing in Mind that  
Fa and Ma  
in the Personal Realm*

*Are usually Burdened  
with the Biases  
of a Finite Existence...*

*... And that Many  
Brothers and Sisters,*

*therefore,*

*Deeply Need Reminder*

*that the  
Real Sources  
of their Existence*

*are the  
All - Wise, Ever - Loving  
Fa and Ma,*

*Intimately Present  
Everywhere.*

*Sharing the Real Love*  
*in Ordinary*  
*Human Interaction,*  
*Takes the Form*  
*of Honestly Noticing*  
*Everything*  
*that Is Praiseworthy*  
*In Each Person,*  
*And Giving That*  
*Fair Acknowledgement.*

*Sharing the Real Love*

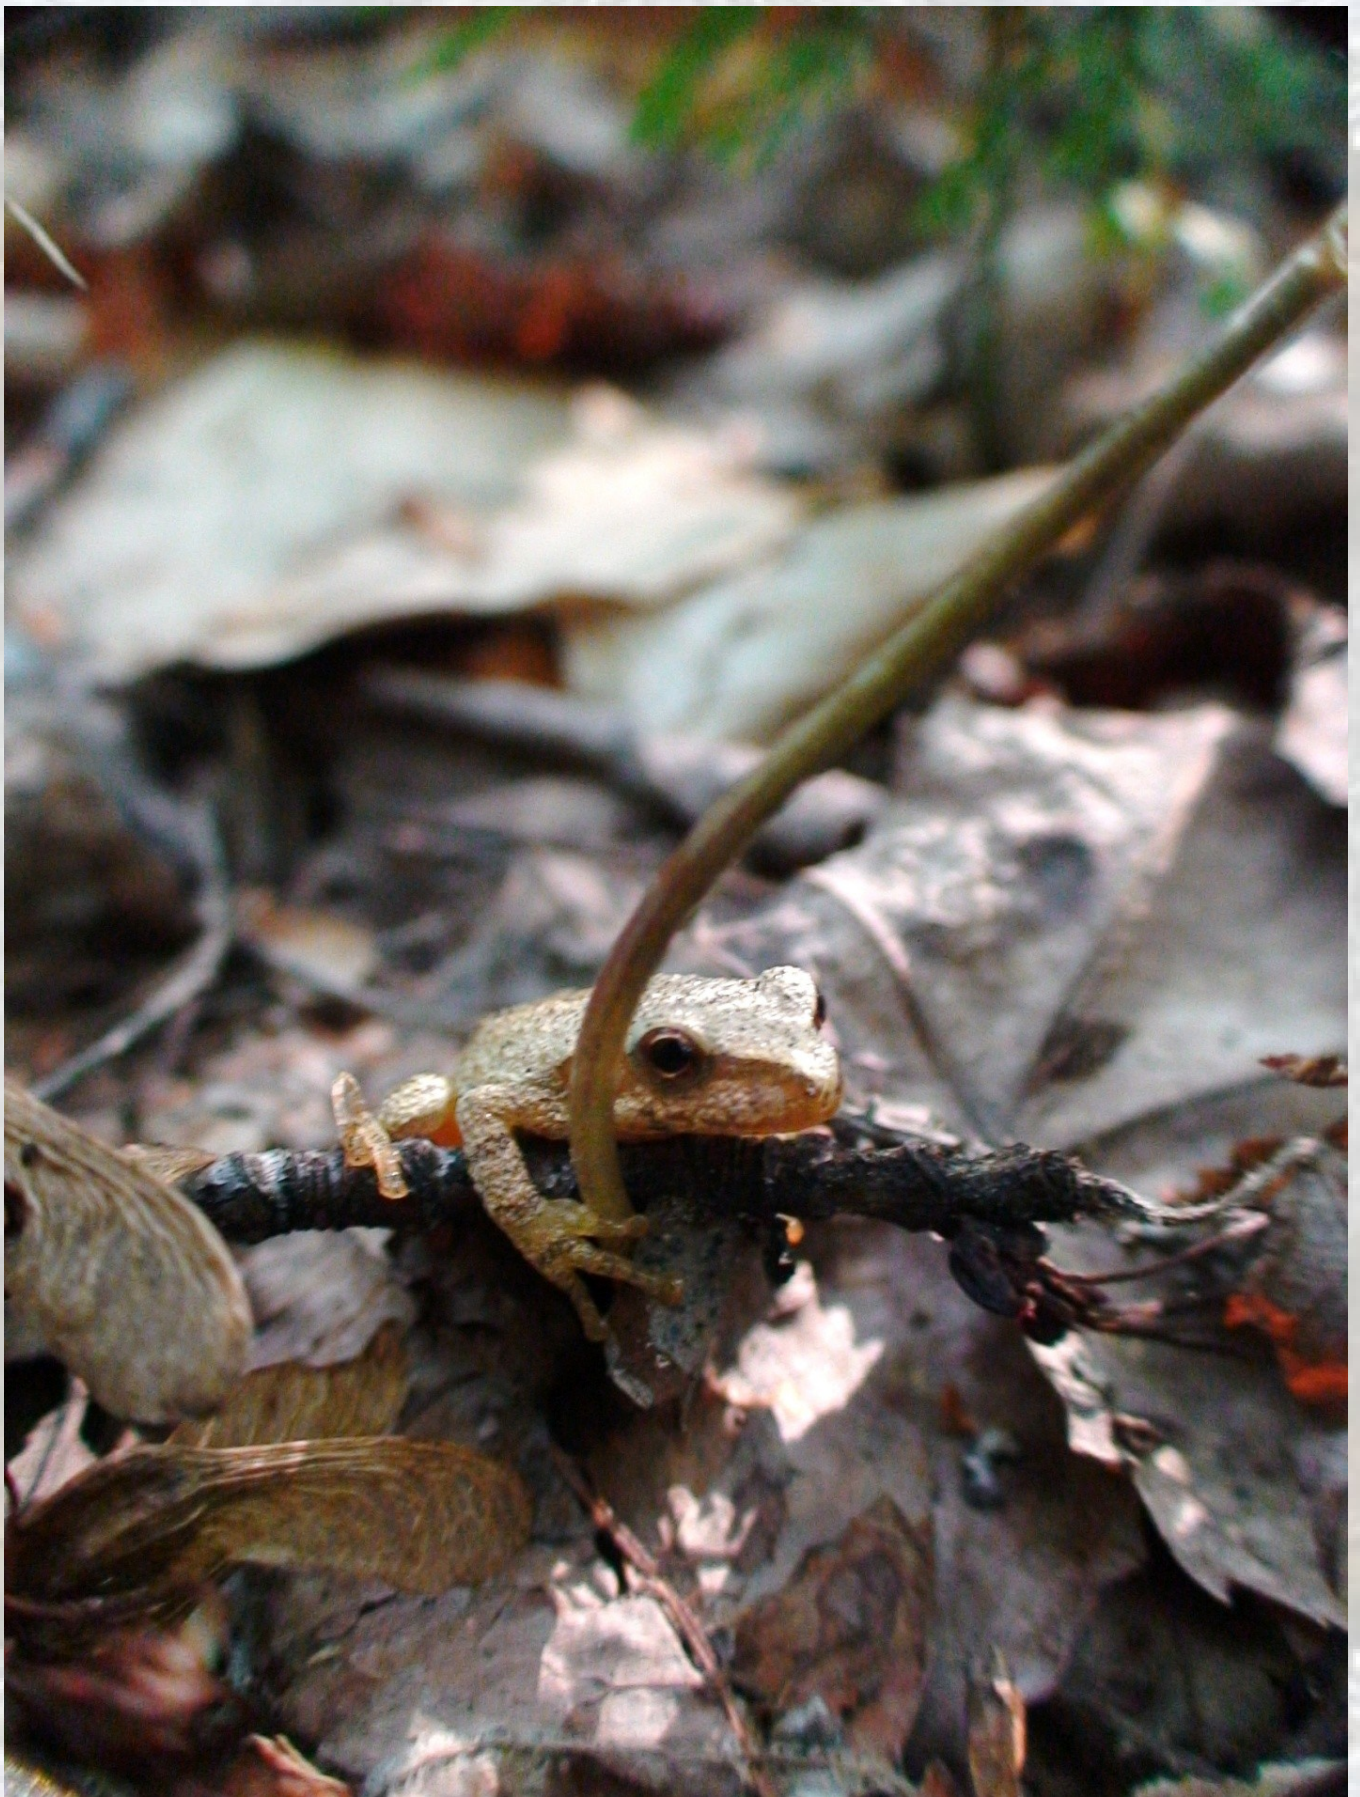

*in Ordinary  
Human Interaction*

*Also Takes the Form  
Of Honestly Acknowledging  
When the Need Arises*

*For Instruction  
or Guidance,*

*And Giving That,  
or, As the Case may be,*

*Receiving That,  
To the Best  
of One's Ability.*

*As Life is  
an Infinite Process,  
Guided by the Impetus  
Toward  
Continual Improvement,  
Perception of Reality  
and Expression of Truth  
Will Evolve,  
Just as Certainly as  
the Vessel of Life,  
the Bodies and Minds  
of the Given Species,  
Will Evolve.*

*The  
Energy - Matter Continuum  
Is the  
Quintessential Image  
of The Universal Archetype  
of Existence,  
The Existential Manifestation  
of the Dynamic Engine  
of Reality, . . .*

*... Which Upholds  
the Actuality  
of Every Atom,  
Molecule, Cell,  
Individual Body,  
Species, Life - Matrix,  
Planet, Star, Galaxy,  
and Universe Itself.*

*The Energy - Matter  
Continuum*

*Is Represented*

*In Perfect  
Micro - Image*

*By the*

*Simple*

*Bar or Horseshoe*

*Magnet.*

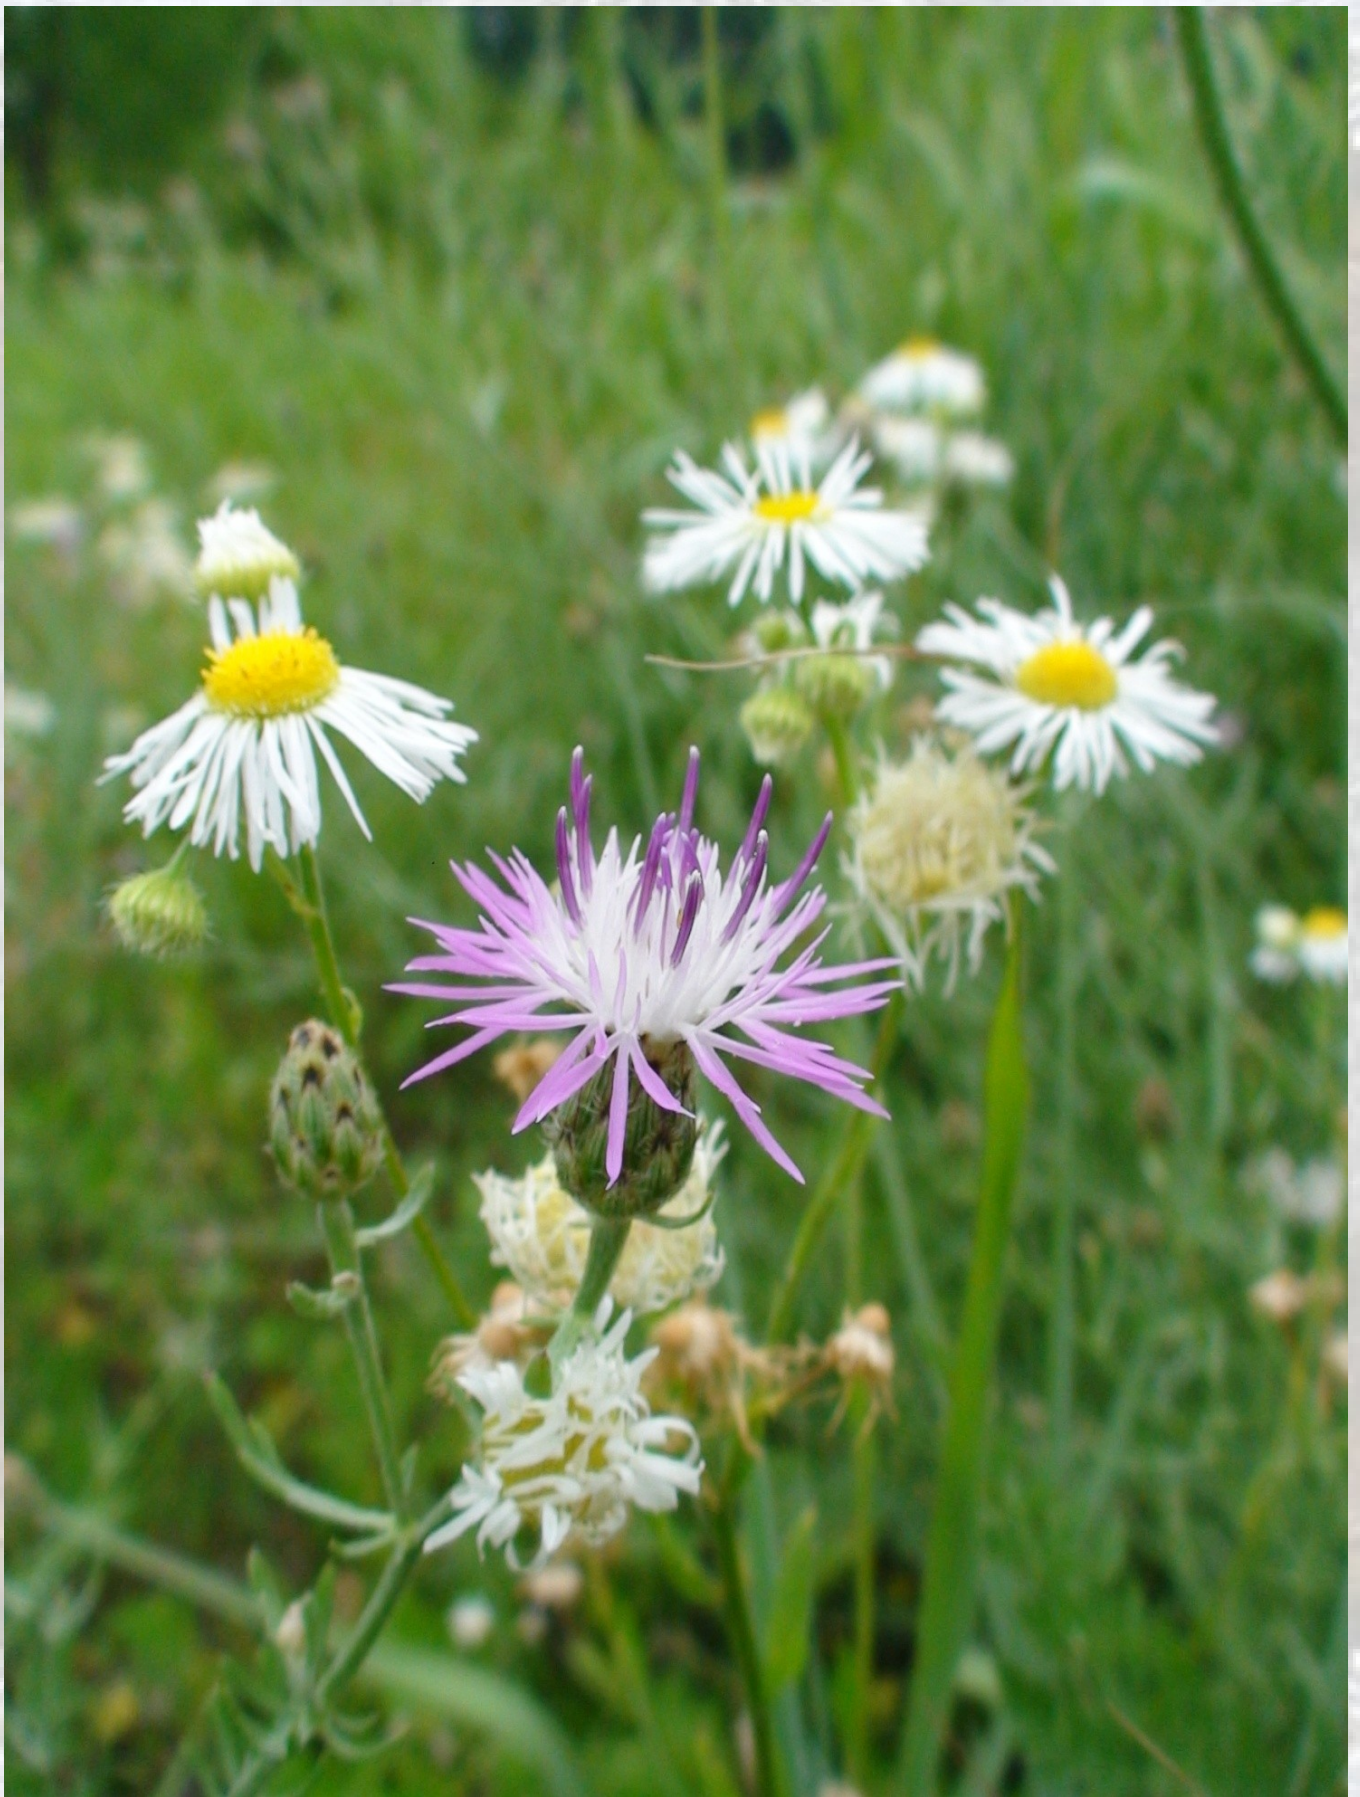

*Eternal Father  
is Truth,*

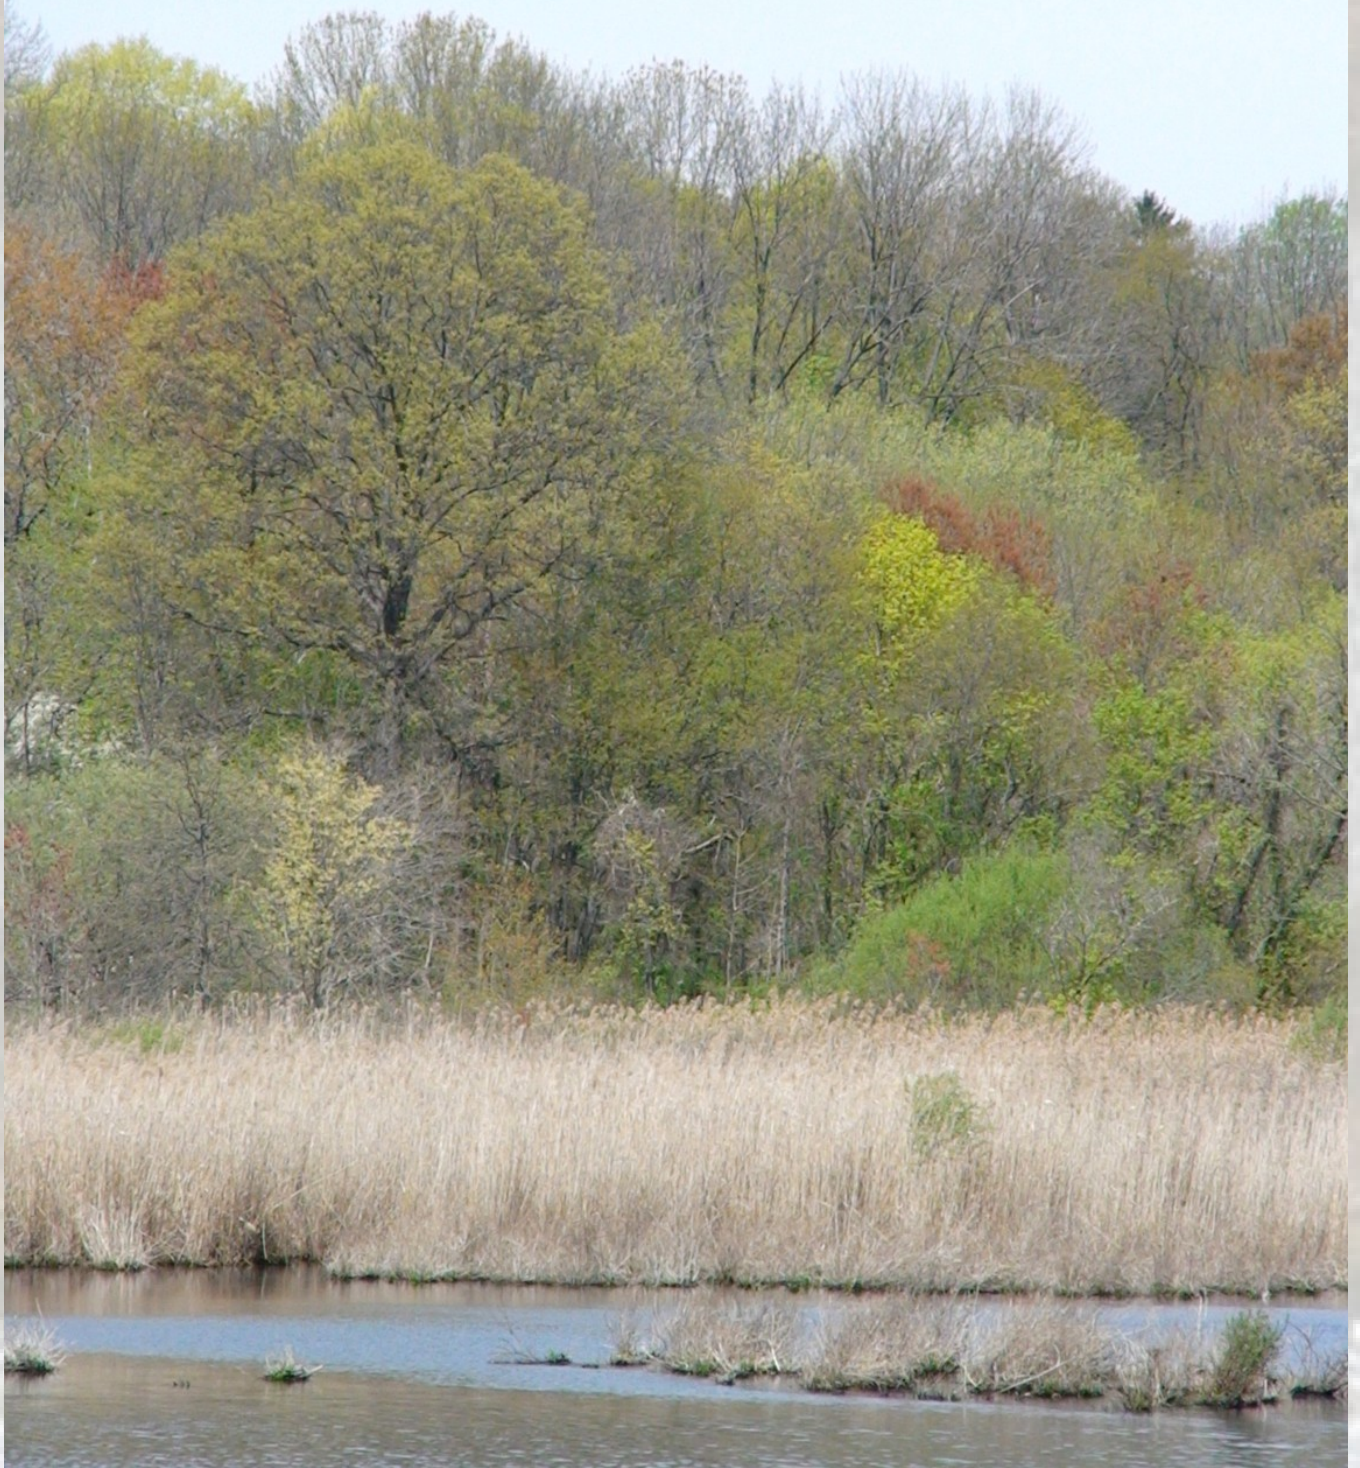

*the Perfection of the  
Formless Dimension, Light:*

*Universal Mother  
is Beauty,*

*the Perfection of the  
Formful Dimension, Life, . . .*

*... and Their Every  
United Expression  
Creates  
Existential Experience  
For the Infinite,  
The Good,  
In the Continual  
Self Re - Discovery of Love.*
